Welcome To The Berkley Community School

Enthusiastic Staff and caring attitudes have provided our children with a pleasant learning environment here at the Berkley Community School.

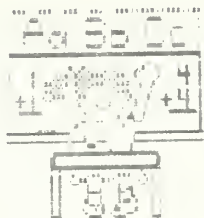

Certificate

We the class of '91 would like to thank the faculty, students, our parents, Ms. Medelros, and a special thanks to Mrs. Monast, and Mrs. Martinez for helping us put together this year book.

It is time to say good-bye to all our friends who will be leaving us after graduation, but we will never forget all the great times we spent together in Berkley.

As graduates of Berkley Community School, we know our futures are going to be bright and have "A Touch Of Class." So, now it is time to say good-bye to all of our old memories and look forward to the new ones.

This year we would like to remember the staff that have left. So we are dedicating this yearbook to Mrs. Kerr, an eighth grade teacher; Mrs. Collins, a seventh through eighth grade teacher; Mrs. Southam and Mrs. Pera, sixth grade teachers. In addition, we would like to dedicate this yearbook to Mrs. Stiller, our gym teacher; Mr. Gomes, our instrumental music teacher; Ms. Rouleau, kindergarten through sixth grade music teacher; and all the support staff.

We appreciated their hard work and their steadfast support. We, the class of 1991, will always remember them and their ability to work with the students.

STAFF

MEMBERS

Administration Superintendent

Mr. Russell Latham
Involved in his commitment to education, Mr. Latham takes time from his busy schedule to get acquainted with the students.

School Principal

Ms. Sherry Medeiros
A familiar face in the corridors, Ms. Medeiros takes the time to assist students, as well as, staff members.

To the Class of 1991:

You are the third eighth grade class to graduate from the Berkley Community School. You have experienced more change in school environments than can be counted, some in the inspiration of new growth and excitement, and some in the depression of decline in personnel and programs. Through it all you young people have been flexible, patient, helpful school students who are to be appreciated and congratulated!

Remember your roots, look forward to your future, set high goals, take advantage of every opportunity, be stalwart in your pursuit of a successful, honorable, and pleasurable life.

These are anxious times in our economy and in the Gulf War situation. You will find the world changing many times in your life. Strike out for your chosen high school with hope, energy, and optimism.

Best wishes,
Russell F. Latham, Superintendent of Schools

To the Class of 1991:

Let me congratulate you on the occasion of your graduation from Berkley Community School and to commend you for your hard work and effort. During the years, I have watched you grow confident in your capabilities. I know you will do well in high school. Good Luck!

Spirit Day

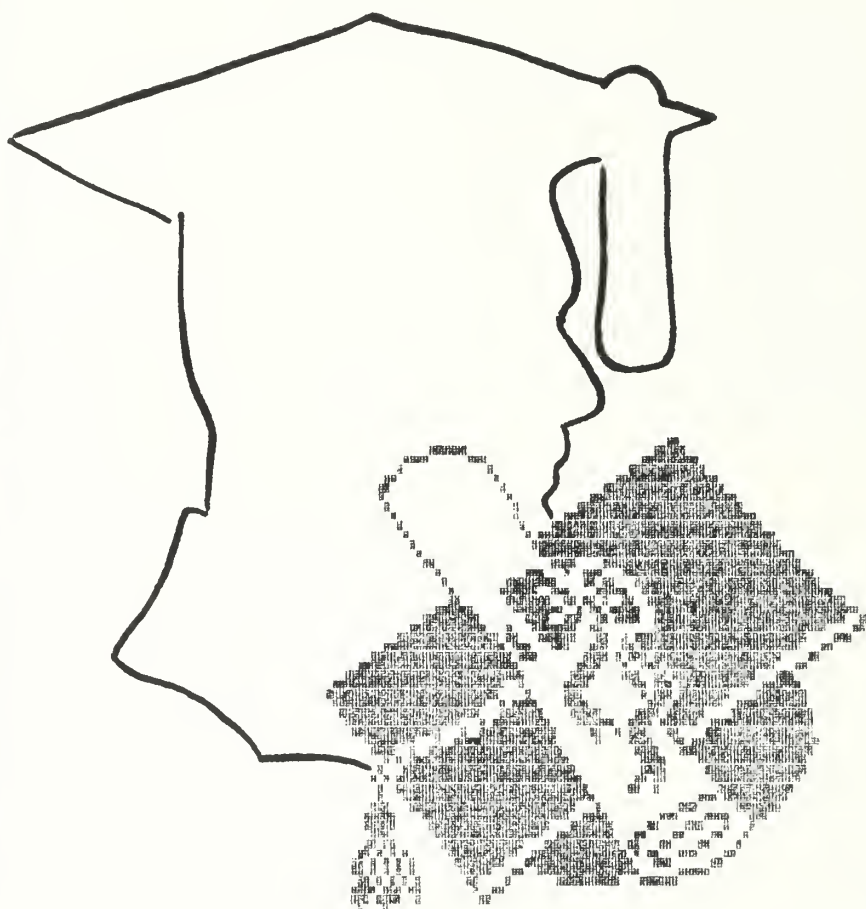

Our annual Spirit Day was held on Jan. 25, 1991. A trophy was awarded to the 5th grade class of 1991, for scoring the highest points in the competition. The students were judged in the following events: foul-shouting, crazy costume, school colors, etc.

Student Council/Peer Leaders

Student Council (pictured at the top) and the Peer Leader Group (remaining photos) have provided extra-curricular activities, support and assistance to the students of our school.

Remember

When . . .

Our troops were sent to Saudi Arabia.

Some people went knee-driving in a blue Chevy.

Charlene wore her hair like Peg Bundy.

Cindy fell out of her chair during class.

The battle between Costa/Rafferty took place with the 8th grades.

Falling out of Cheryl's window.

Robyn and Jordan Knight from the New Kids on the Block.

Tammy was in love with Joe Montana.

Jacob pretending to be Steve Errkel.

How Kevin and Heidi went out together.

Kristy's nickname was Blossom.

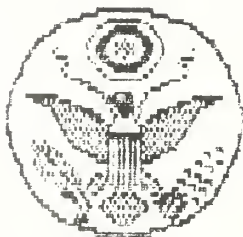

When Trish ran over the old man sking.

How Katie A. fell off at the end of the ski lift.

Mrs. Martinez helped us make this yearbook.

Ben Franklin came to visit.

We graduated.

Julie Bibber got a brush caught in her hair.

When Trish ran over the old man skiling.

We went on the ski trips.

New Kids on the Block were popular.

Mr. Menard came to sub.

On Spirit Day Sherl dressed up as a monkey.

We went on a million field trips in 5th grade.

Two people had an encounter with a roll of masking tape and a desk.

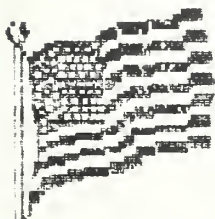

The school used to be small.

Krystal, Esther, and Charlene dressed up as triplets.

Homework was a lot easler.

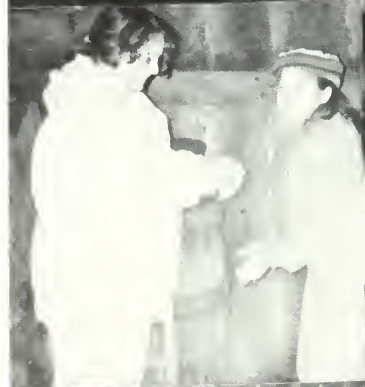

There were three 8th grades.

Good Luck to
Our Troops!!
